

UPDATE: The position of Survey Technologist has been filled. Thank you very much to all applicants who took the time to respond to the posting.

Survey Technologist

Posted April 3, 2017

Browne Johnson Land Surveyors is located in Salmon Arm, BC, in the heart of BC's beautiful Shuswap region. We're currently looking for a motivated and hard-working person to join our friendly team of technologists and professional land surveyors.

Browne Johnson offers a comprehensive benefits package and considers the health and wellness of its employees and their families to be a top priority.

This is a full-time permanent position as a member of a field survey crew. For the right person, the role may expand to include survey calculations and drafting.

Responsibilities

- Working alone or as a member of a survey field crew
- Working in urban and remote environments in a variety of weather
- Using conventional instruments, robotic total stations, digital levels, and GNSS equipment
- Performing field calculations
- Interpreting legal plans, field notes, and construction drawings
- Liaising with project managers, contractors, and members of the public
- Working safely and within defined safety protocol

Requirements

- Education and/or experience in geomatics or field surveying
- Strong communication skills and excellent work ethic
- Professional demeanour when interacting with clients, fellow employees and members of the public
- Valid driver's licence with a clean driver's abstract

Assets

- Experience with Microsurvey FieldGenius, Microsurvey CAD, AutoCAD, Leica Geo Office
- Experience with Leica conventional, robotic, and GNSS instruments
- Experience performing legal surveys, construction layout surveys, and site surveys
- Experience drafting legal plans, building location certificates, and site plans

Browne Johnson is an equal-opportunity employer.

To apply, please forward your resume to office@brownejohnson.com.
